TX HEAT Scholarship Award Application

THIS SCHOLARSHIP IS FOR TWO MEMBERS FROM THE SAME DEPARTMENT/AGENCY/ORGANIZATION

Instructions:

Both applicants will fill out their portion of this application packet. You can use Microsoft Word to simply type your information in the spaces provided. You may also print the forms in this packet and fill them out by hand if you wish. Add additional pages as needed.

Submit your completed application packet, including the required letters of recommendation, copies of TCFP Hazardous Materials Technician certificates and agency letter of commitment to support, and provide any additional funding necessary, to ensure the scholarship recipients are able to attend all days of the annual IAFC Hazardous Materials Response Teams Conference by:

1. Save your applications as PDFs.
2. Save your letters of recommendation (one per applicant) as PDFs.
3. Scan and save your TCFP Hazardous Materials Technician certificates as a PDFs
4. Scan and save the agency letter of support as a PDF
5. Attach the seven documents (two applications, two letters of recommendation, two TCFP certificates and agency letter of support) to an email addressed to txheat@yahoo.com. Write TX HEAT APPLICATION in the email subject line. IMPORTANT: We can only accept applications and supporting documents saved as PDFs. Do not attach .doc or .docx files. These will be returned.

Applications are not complete unless they include the required letters of recommendation (one per applicant). Instructions for recommenders are provided in this application packet.

Applications, including the supporting documents, must be received between January 1 and February 28 in the same calendar year of the conference the applicants wish to attend. The scholarship will be awarded, and the recipients notified, no later than March 31 of the same calendar year their application packet is submitted in.

The letters of recommendation, TCFP certificates and agency letter of support must be submitted along with your application. For more information, please visit the Texas HEAT page at <https://yld.org/awards-and-scholarships/texas-heat/>.

SCHOLARSHIP AWARDEES' RESPONSIBILITIES

If selected to receive the scholarship the two awardees and their department, agency or organization agree to the following as a condition of acceptance:

The scholarship check will be made out to the awardees' department, agency or organization, which will use the funds to cover the following expenses to ensure the awardees are able attend the entire IAFC Hazardous Materials Response Teams conference the same year the scholarship is awarded:

- Conference registration fees
- Travel costs (air and ground)
- Lodging at the conference hotel
- Meals (per-diem)

The awardees' department, agency or organization agrees to provide any supplemental funding beyond the scholarship award amount necessary to ensure the awardees attend the entire duration of the conference.

The awardees themselves, or a designated representative of their department, agency or organization, are responsible for:

- Registering both awardees to attend the conference on the conference website
- Booking their airline tickets (travel dates Wednesday and Sunday)
- Booking their lodging at the conference hotel (check-in Wednesday, check-out Sunday)
- Securing their own ground transportation to/from airport/hotel in Baltimore
- All meals not included with conference registration (see conference schedule on the IAFC website)

Awardee travel and/or lodging for any dates other than the Wednesday to Sunday time-frame of the conference must be requested in writing by the awardees at least 30 days prior to the first day of the conference, and must be approved by the TX HEAT Scholarship Award Committee.

TEXAS HAZMAT EDUCATION AND TRAINING (TX HEAT) SCHOLARSHIP FUND

The primary goal of TX HEAT is to provide financial support to enable **two** qualified applicants from **a single** department, agency or organization in Texas to attend the International Association of Fire Chiefs Hazardous Materials Response Teams conference. The advanced level of education and training, exposure to cutting-edge concepts and products and networking opportunities available at this conference are unparalleled in the nation.

TX HEAT currently achieves this goal through the annual award of a \$2500 scholarship to a department, agency or organization that formally commits to providing all support necessary to allow the **two awardees** of the scholarship to attend the full duration of the conference.

Scholarship recipients will represent a wide range of hazardous materials technician level responders - including volunteer, part-paid, and career personnel - from emergency response service departments, agencies and organizations in the great state of Texas.
